## The Nutcracker Spirit Class Fee

1 Hour Class	45 Minute Class	30 Minute Class
\$198	\$149	\$99

Performances will take shape according to public health guidance, and may be presented:

- At a theater (this will incur an additional fee, and a minimum ticket purchase will be required)
- As an in-studio showcase performance, without a live stream (if an audience can be present, there will be a patron ticket fee per attendee)
- As an in-studio showcase performance with a live stream component (if live streaming is available, an admission fee will be charged for the virtual performance)
- If including a live audience of any sort is not feasible, a video of the performance will be taken and an additional video charge will be added.
- We are still evaluating the role of costuming in these performances. If costuming is feasible, an extra costuming fee would be applied to each student per costume used.

*If you are in more than one role, the dancer fee will equal the total number of Rehearsal Hours  
 Example: role 1 is an hour class & role 2 is a 45 minute class ; the total fee would be \$347  
 All fees are due upon acceptance and there will be no refunds*
