

ASHLEY BALLET ARTS ACADEMY

HEALTH & SAFETY PLAN

LAST UPDATED: SEPTEMBER 2, 2020

WELCOME BACK SOON, ABAA FAMILIES!

We're eagerly anticipating the return of in-person School Year Program classes. **This calls us to plan for the safety of everyone who walks through our studio doors.** Our goal is to provide a safe and joyful learning environment, which includes attention to cleanliness.

When classes are held on-site, **all individuals on the premises will abide by this plan,** which will remain fluid in order to adjust to changing circumstances and advice from public health authorities.

This Health and Safety Plan does not represent 100% effectiveness against the spread of disease. It's meant to augment official guidelines, and can only be as effective as our implementation of it.

**We can't wait to see you
in class again!**

LAST UPDATED: SEPTEMBER 2, 2020

BEST PRACTICES

Wash your hands
before and after class.
Use hand sanitizer during
class as often as needed.

The studio will be cleaned
every night & between classes.
High-touch surfaces will be
sanitized frequently.

Until further notice,
the **lobby, dressing room, &**
water fountains are closed.
Restrooms will be single-use.

Everyone aged 5 and up
will wear face masks.
Everyone will keep
6 feet of distance.

CURBSIDE DROP-OFF

To minimize exposure:

5 minutes before class starts:

Students are dropped off in the parking lot.

Before entering the studio:

Students undergo a symptom screening.

10 minutes before class ends:

Parents arrive to pick up their student/s in the parking lot.

SYMPTOM SCREENINGS

Before entering ABAA studios, students will be checked for COVID-19 symptoms.

A symptom check includes:

- An **at-home symptom screening** according to CDC criteria.

- An **infrared thermometer** temp check at our door.

We cannot permit entry to anyone with:

1 of the following

- New onset cough
- Shortness of breath

OR:

2+ of the following

- Fever (100.4°F+)
- Sore throat
- Chills
- Gastrointestinal symptoms
- (diarrhea, vomiting, or nausea)
- Fatigue
- Loss of taste or smell

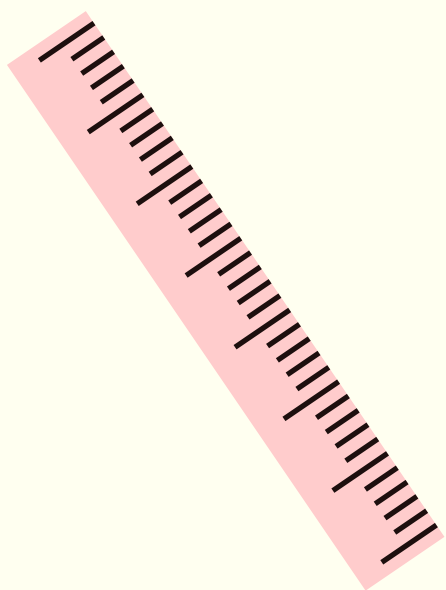

IN CLASSES

To minimize exposure during class:

Everyone aged 5+
will wear masks.

Everyone will maintain at
least 6 feet of distance at
all times.

All students will use their
designated "home base"
chair during classes.

Everyone should bring as
many pre-filled water
bottles as needed for all of
their classes.
